INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. §1.56 AND §1.97

Commissioner for Patents P.O. Box 1450 Alexandria, VA 22313-1450

Sir:

In accordance with the duty of disclosure imposed by 37 C.F.R. § 1.56 and § 1.97 to inform the Patent Office of all references coming to the attention of each individual associated with the filing or prosecution of the subject application, which are or may be material to the patentability of any claim of the application, Attorneys for Applicants hereby invite the Examiner's attention to the references A01 to A04, B01 to B15, and C01 to C104 listed on the attached "List of References Cited by Applicant." Copies of references A01 to A04, B01 to B15, and C01 to C104 are not provided herewith; rather, pursuant to 37 C.F.R. § 1.98(d), Applicants respectfully invite the Examiner's attention to the copies of the References A01 to A04, B01 to B15, and C01 to C104, which are present in the file of parent application Serial No. 10/466,811 filed July 18, 2003. Identification of the listed references is not meant to be construed as an admission of Applicants or Attorneys for Applicants that such references are available as "prior art" against the subject application.

Pursuant to 37 C.F.R. § 1.97(b)(3), Applicants estimate that no fee is due in connection with the filing of this Information Disclosure Statement. However, should the Patent Office determine otherwise, please charge the necessary fee to Jones Day Deposit Account No. 50-3013. A duplicate of this sheet is enclosed for accounting purposes.
